Christmas Eve Love Offering – Renovation Church

Each year we set aside our Christmas Eve offering for the work that is being done around the world and for home missions. This year we target home missions. Superior is in the process of receiving a Covenant Church plant next year. Renovation Covenant Church has been through the Covenant process for church planting and is currently finalizing plans to meet in Superior. Pastor Jenny and Aaron Armstrong are going to lead the church with support of the Covenant Conference as well as other Covenant churches in the area. We are supporting them financially, spiritually and in any way that we can. It is exciting to see another vibrant energetic church come to the area.
